

Cat. No. 05903

COMBI-TEL

Combi-Tel is the ultimate dedicated modular telephone plug termination pliers that gives you everything you need to make the perfect connection. This simple lever action hand tool has been developed not only to crimp both line and handset plugs and sockets, but also to prepare the cordage prior to insertion into connector. The tool is supplied pre-set for a particular plug and cable.

- **Precise Strip & Cut to Length**
- **Strain Relief Crimping**
- **Packed in a Smart Plastic Case**
