

Cat. No. 071

COAX 5

This tool has been designed as a universal co-axial cable stripper for preparing all round coaxial cables. The tool consists of a 'Tool Body' fitted with a stripping blade 'Cartridge' and guide 'Bush', both easily exchangeable to strip different cables. The blade cartridge consists of 3 blades, which are pre-set to a specific cable type, completing the 3 cuts with one operation of the tool. Distances between blades are pre-set to 4 and 8mm but are user changeable with spacer blocks.

- **Light Weight.**
- **Three Cuts in One Operation.**
- **Easy Exchange of Cartridge to Strip Different Cables.**
