CSS – 40

and

ACS – 40

Cable stripper and semi-con scoring tool. Produces accurate multi-layer stripping with as little as 4.0mm shoulder lengths and are suitable for both mid-span as well as end stripping:

- **Light Weight & Compact**
- **Unrestricted Cable Entry**
- **Multi Layer Stripping**
- **Self Adjustable throughout it's Capacity**

Technical Specifications:

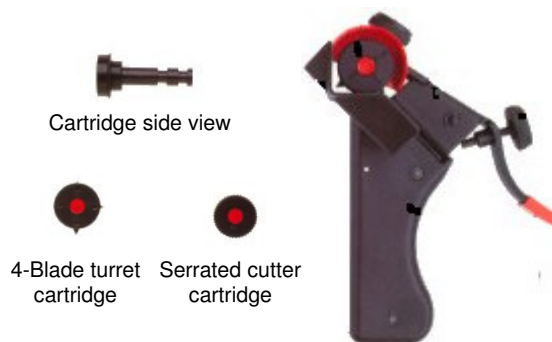

Capacity:	CSS – 40	ACS – 40
Cable Dia:	8 to 40mm	10 to 40mm
Dimensions:	165x140x66mm	160x145x41mm
Weight:	330 gms.	330 gms.

- Made in EU -

CSS – 40 & ACS – 40

The CSS-40 is a cable stripper and semi-con scoring tool. Produces accurate multi-layer stripping with as little as 4.0mm shoulder lengths and is suitable for both mid-span as well as end stripping. Accurately scores thermally shrunk semi-conductive screens for easy removal. Controlled depth of cut cartridges for foolproof result. It comes with a fully equipped range of serrated cutting and scoring blades with pre-set cutting depths ranging from 0.6 to 4.5mm.

The 4-blade cutting cartridges is also available with cutting depths of 1mm, 2mm, 3mm and 4mm respectively.

The ACS – 40 is both a lightweight and compact tool with self-tensioning stripping, ideal for use in confined spaces. Suitable for mid-span and end stripping, with an adjustable depth of cut and indexing head position for circular, longitudinal and spiral stripping. The integral cable support platform provides a stable base which guides the cable throughout the stripping operation.

Replacements parts are available from stock for:

CSS – 40
