

Cat. No. 2004

COMPRESS-ALL

Designed to assemble a whole range of 59 & 6 series connectors. Supplied with a number of colour coded gauge blocks which are required to set up tool compression for different connectors.

The connector nest is open on one side only which facilitate connector alignment before pressing. Simply squeeze the handles to close totally to stop to ensure sleeve is fully compressed.

- Lightweight One Hand Operation
- Easy Connector Alignment
- Packed in a Smart Carry Case
