

## SIMPLE WIRE STRIPPERS

**Cat. No. 313**

**Cat. No. 314**

### SF-30 & CSF-30

Made of high-carbon steel, with fully hardened and tempered precision-ground cutting edges. Handles are spring-loaded, and are made of high-resistant PVC resin, contoured to fit the hand comfortably in any working condition.

#### SF-30

The spring loaded, floating jaw assembly, allows the stripping of outer sheath of miniature wires without damage to conductors.

#### CSF-30

Wire-Stripping/Shears. Besides having exceptional cutting, it is also a perfect dielectric insulation stripper.

#### Technical Specifications

Capacity:

Cat. No. 313

Stripping: up to 1.0mmØ maximum

Cat No. 314

Cutting: Up to 1.6mmØ maximum

Dimensions: 132mm length.
