

## In this issue...

- **40th Anniversary**

- **Tool Personality**

- **Appointed Supplier**

- **Electrical joke**

Dear reader,

This year Abeco Ltd, manufacturer of ZB Tools products celebrates 40 years of producing quality products to its esteemed clients, although its roots go back much further as an engineering company. Looking back over 40 years of work and innovations we are confident and looking forward to a prosperous future.

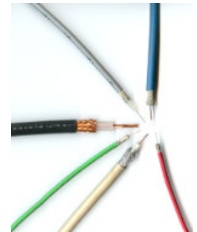

Throughout these years we gained knowledge and experience and now we are in a position to anticipate the market. The excellent service, support and quality products earned us trust, commitment, satisfaction and loyalty from our customers.

### Tool personality for this issue is ...

Our **Coax1** the **Dedicated** stripping tool.

- **Compact**
- **Lightweight**
- **3 in 1 blade cartridge - only 1 operation is required to strip the 3 layers simultaneously**
- **Distances between blades are pre-set but are user changeable with spacer blocks**
- **Simple to operate**

ZB Tools Ltd has appointed First Components Ltd as a supplier in the UK. First Components will provide you with any professional technical support for our tools supplied by them.
