- **Silica-Strip - 06807**

Easy to use stripping tool for fast removal of primary silicone coatings from optical fibres.

- **Last Exhibition**

Last Exhibition

Our participation at the Big5 exhibition held in Dubai was very interesting and it was our pleasure to meet with some of our clients as well as make new contacts.

We would like to take the opportunity to thank all the visitors we had on our stand for their interest they have shown in our products.

Upcoming Exhibition

We shall be participating at the Practical International Hardware Fair / Practical World 2008 in Cologne from 9th to 12th March. You will find us in **Hall 10.1 Stand A033**

- **Upcoming Exhibition**

- **Electrical joke**

What did the light bulb say to the electric generator?
"You spark up my life!"
