■ New Product

The **Powerstrip10** is the latest addition to a family of Abeco made wire stripping hand tools with a maximum stripping capacity of 10mm². The Powerstrip10 is fully self-adjusting throughout its capacity, with provision to rapidly adjust the ratio between the gripping and cutting jaws to allow for unusually 'tough' or 'soft' insulations and while maintaining fatigue-free operation.

- Replaceable Gripping Pads
- Large Capacity Fatigue Free Operation
- Integral Wire Cutter

INTERNATIONAL PRACTICAL
HARDWARE FAIR | WORLD

Our participation at the Practical International Hardware Fair / Practical World 2008 in Cologne earlier this March was a very successful event thanks to all visitors.

It was another opportunity and a real pleasure to meet with some of our clients and making new contacts.

■ Upcoming Event

We are now regular participants in exhibitions held in U.A.E. Our next participation is at Middle East Electricity 2009.

Sunday 8 - Tuesday 10 February 2009
Dubai International Exhibition Centre

■ Electrical joke

What do you call a carpenter working on an electrical panel?

Dead!
